Subject Index

Abbe flap; *see* Flaps, Abbe

Abdomen, surgery

- does abdominoplasty predispose to erysipelas of the abdominal wall? (Kronowitz et al) 1998;41:453 (Letter)
- ultrasound in the diagnosis and management of fluid collection complications following abdominoplasty (Mohammad et al) 1998;41:498

Abdominal wall

- abdominal wall closure after selective aponeurotic incision and undermining, with invited discussion by Ramirez (Nahas et al) 1998;41:606
- abdominal wall defects: anatomic classification and a scheme for management (Sharma et al) 1998;41:180
- does abdominoplasty predispose to erysipelas of the abdominal wall? (Kronowitz et al) 1998;41:453 (Letter)

Accidents, traffic

- re: craniofacial injuries resulting from taxicab accidents in New York City (Talmor and Barie) 1998;41:332 (Letter)

Achilles tendon

- multiple, synchronous ipsilateral soleus muscle flaps, including the Achilles' "wraparound" flap (Hallock) 1998;41:46

Adhesions

- tissue repair in the fetal intestinal tract occurs with adhesions, fibrosis, and neovascularization, with invited discussion by Longaker (Mast et al) 1998;41:140

Adolescence

- adolescent growth patterns of the bony and cartilaginous framework of the nose: a cephalometric study (Akgüner et al) 1998;41:66
- "Taiwanese giant": hormonal and genetic influences in fibrous dysplasia (Szwajkun et al) 1998;41:75 (Case report)

Adriamycin; *see* Doxorubicin

Aesthetics

- cosmetic sequelae after conservative treatment for breast cancer: classification and results of surgical correction (Clough et al) 1998;41:471

American Society of Plastic and Reconstructive Surgery

- ASPRS and reconstructive plastic surgery, with response by Lynch (Furlow) 1998;41:330 (Editorial)

Amputation

- two giant basal cell carcinomas presenting simultaneously in the same patient, one resulting in lower extremity limb loss (Mainella et al) 1998;41:444 (Case report)

Amputation, traumatic

- postoperative ramifications of total ear replantation (Finical et al) 1998;41:667 (Case report)
- successful replantation of an avulsed middle finger (Cheng et al) 1998;41:662 (Case report)

Anastomosis, surgical

- acute thrombogenic effects of fibrin sealant on microvascular anastomoses in a rat model (Marek et al) 1998;41:415

Anesthesia

- epinephrine in digital blocks: revisited (Wilhelmi et al) 1998;41:410

Aneurysm

- traumatic aneurysms of the face and temple: a patient report and literature review, 1644 to 1998 (Conner et al) 1998;41:321 (Review article)

Animal studies

- acute thrombogenic effects of fibrin sealant on microvascular anastomoses in a rat model (Marek et al) 1998;41:415
- contraction of experimental skin flaps (Bayramiçli et al) 1998;41:185
- effect of hyperbaric oxygen on survival of the composite ear graft in rats (Zhang et al) 1998;41:530
- effects of soft-tissue expansion on lip repair and midfacial growth in a rabbit cleft lip model (Edington et al) 1998;41:171
- microcirculatory hemodynamics during the acute phase of free vascularized muscle allograft rejection (Siemionow et al) 1998;41:275
- microvascular permeability following composite tissue transplantation (Gudemez et al) 1998;41:519
- microvascular transfer of the combined gastrocnemius-soleus muscle flap in the rat (Paletta et al) 1998;41:535
- prefabrication of a high-density porous polyethylene implant using a vascular induction technique (Can et al) 1998;41:264
- tissue repair in the fetal intestinal tract occurs with adhesions, fibrosis, and neovascularization, with invited discussion by Longaker (Mast et al) 1998;41:140

Anthrax

- surgical management of cutaneous anthrax (Aslan and Terzioğlu) 1998;41:468

Anthropometry

- lip index: an anthropometric tool to evaluate objectively the results of the Abbe flap procedure (Vegter et al) 1998;41:166
- maxillozygional anthropometric landmark: a new morphometric orientation point in the upper face (Nechala et al) 1998;41:402

Antibiotics

- progressive gangrene of the hand following extravasation of antibiotics associated with hereditary resistance to activated protein C, with invited discussion by Ornstein and Zacharski (Borman et al) 1998;41:194 (Case report)

Aponeurosis

- abdominal wall closure after selective aponeurotic incision and undermining, with invited discussion by Ramirez (Nahas et al) 1998;41:606

Arm

- combination latissimus dorsi and rectus abdominis musculocutaneous flap for primary repair of a large upper limb defect (Onishi et al) 1998;41:295 (Case report)
- reduced cost of extremity free flap monitoring (Yuen and Feng) 1998;41:36

Augmentation mammoplasty; see Mammoplasty

Auricle

- auricular paper model (Yotsuyanagi et al) 1998;41:327 (Short subject)

Autograft; see Transplantation, autologous

Autoimmune diseases

- massive injections of adulterated liquid silicone: local complications and development of autoimmune diseases (Guerrissi and Béjar) 1998;41:572 (Letter)

Avulsion; see Amputation, traumatic

Axilla

- comparative study of the surgical treatment of axillary osmidrosis by instrument, manual, and combined subcutaneous shaving procedures (Park et al) 1998;41:488

Bandages

- hydration and occlusive treatment of a sutured wound (Sawada et al) 1998;41:508
- transparent hydrocolloid dressing for CO₂ ultrapulse laser resurfacing (Paloma et al) 1998;41:334 (Letter)

Basal cell carcinoma; see Carcinoma, basal cell

Beds

- comparison of supine and lateral positioning on various clinically used support surfaces (Sachse et al) 1998;41:513

Benign symmetric lipomatosis; see Lipomatosis, multiple symmetrical

Blood vessel prosthesis

- muscle transposition flap for salvage of exposed peripheral prosthetic vascular grafts (Atiyeh et al) 1998;41:640

Bloopers

- blue pencils 1, bloopers 0 (Morain) 1998;41:566 (Editorial)

Blue nevus; see Nevus, pigmented

Boats

- motorboat propeller injuries (Mendez-Fernandez) 1998;41:113

Body contour

- proportional liposuction (Chamosa) 1998;41:107 (Letter)

Body height

- "Taiwanese giant": hormonal and genetic influences in fibrous dysplasia (Szwajkun et al) 1998;41:75 (Case report)

Bone development

- adolescent growth patterns of the bony and cartilaginous framework of the nose: a cephalometric study (Akgüner et al) 1998;41:66

Bone lengthening

- callotasis in nonvascularized periosteal bone grafts and the role of periosteum: a new contribution to the concept of distraction osteogenesis, with invited discussion by McCarthy (Özerdem et al) 1998;41:148

Bone plates

- parmedian sternal bone plate reinforcement and wiring for difficult sternotomy wounds (Smoot and Weiman) 1998;41:464

Bone transplantation

- callotasis in nonvascularized periosteal bone grafts and the role of periosteum: a new contribution to the concept of distraction osteogenesis, with invited discussion by McCarthy (Özerdem et al) 1998;41:148
- demineralized bone bandeau in a patient with kleeblattschädel skull deformity (Hubli et al) 1998;41:81 (Case report)

Bone wires

- parmedian sternal bone plate reinforcement and wiring for difficult sternotomy wounds (Smoot and Weiman) 1998;41:464
- transmetacarpal intramedullary K-wire fixation of proximal phalangeal fractures (Elmaraghy et al) 1998;41:125

Book reviews

- Contemporary Hair Transplant Surgery*, by Buchwach and Konior (Barrera) 1998;41:110
- Facial Surgery: Plastic and Reconstructive*, by Cheney (Larson) 1998;41:109
- Mandibular Reconstruction*, edited by Komisar (Hidalgo) 1998;41:109

Breast

- capsular calcification associated with silicone breast implants: incidence, determinants, and characterization (Peters et al) 1998;41:348
- ethylene oxide burns from improperly sterilized mammary implants, with invited discussion by Frisch (Cárdenas-Camarena) 1998;41:361
- life span of silicone gel breast implants and a comparison of mammography, ultrasonography, and magnetic resonance imaging in detecting implant rupture: a meta-analysis (Goodman et al) 1998;41:577
- silicone breast implant follow-up (Vasey) (Letter); (Peters and Smith) (Reply) 1998;41:101

Breast, surgery

- breast reduction improves symptoms of macromastia and has a long-lasting effect (Brühlmann and Tschoopp) 1998;41:240
- cosmetic sequelae after conservative treatment for

- breast cancer: classification and results of surgical correction (Clough et al) 1998;41:471
- design-enhanced breast reduction: an approach for very large, very ptotic breasts without a vertical incision (Schmidt) 1998;41:335 (Letter)
- long-term results and patient satisfaction with reduction mammoplasty (Makki and Ghanem) 1998;41:370
- mammography in the evaluation of masses in breasts reconstructed with TRAM flaps (Eidelman et al) 1998;41:229
- preconditioned TRAM flap: preliminary clinical experience (Restifo and Thomson) 1998;41:343
- re: breast reconstruction after mastectomy without additional scarring: application of endoscopic latissimus dorsi muscle harvest (Southern and Ramakrishnan) 1998;41:332 (Letter)
- re: breast reduction without a vertical scar (Peled) 1998;41:451 (Letter)
- reduction mammoplasty: its role in breast conservation surgery for early-stage breast cancer (Smith et al) 1998;41:234
- Breast neoplasms**
- cosmetic sequelae after conservative treatment for breast cancer: classification and results of surgical correction (Clough et al) 1998;41:471
- fibrosarcoma following radiotherapy for breast carcinoma: a case report and review of the literature (Borman et al) 1998;41:201 (Case report)
- reduction mammoplasty: its role in breast conservation surgery for early-stage breast cancer (Smith et al) 1998;41:234
- Burns**
- ethylene oxide burns from improperly sterilized mammary implants, with invited discussion by Frisch (Cárdenas-Camarena) 1998;41:361
- hand burns in young patients—loss of self-sufficiency and economic productivity (Borman and Kostakoğlu) 1998;41:335 (Letter)
- head and neck reconstruction with the latissimus dorsi musculocutaneous pedicled flap: functional preservation of the muscle by staged transfer (Şafak et al) 1998;41:156
- versatility of tissue expansion in head and neck burn reconstruction (Chun and Rohrich) 1998;41:11
- Calcification**
- capsular calcification associated with silicone breast implants: incidence, determinants, and characterization (Peters et al) 1998;41:348
- Callus**
- callotaxis in nonvascularized periosteal bone grafts and the role of periosteum: a new contribution to the concept of distraction osteogenesis, with invited discussion by McCarthy (Özerdem et al) 1998;41:148
- Cannulation; see Catheterization**
- Carcinoma**
- fibrosarcoma following radiotherapy for breast carcinoma: a case report and review of the literature (Borman et al) 1998;41:201 (Case report)
- laryngeal preservation surgery using a free flap patch following resection of a carcinoma of the posterior wall of the oropharynx (Nakatsuka et al) 1998;41:289
- sweat gland carcinoma of the foot: a review and patient report (Losee et al) 1998;41:550 (Case report)
- Carcinoma, basal cell**
- two giant basal cell carcinomas presenting simultaneously in the same patient, one resulting in lower extremity limb loss (Mainella et al) 1998;41:444 (Case report)
- Cartilage**
- adolescent growth patterns of the bony and cartilaginous framework of the nose: a cephalometric study (Akgüner et al) 1998;41:66
- Case reports**
- benign symmetric lipomatosis (Madelung's disease): a case report (Smith et al) 1998;41:671
- case of self-inflicted intraorbital injury: wooden foreign body introduced into the ethmoidal sinus (Akgüner et al) 1998;41:422
- combination latissimus dorsi and rectus abdominis musculocutaneous flap for primary repair of a large upper limb defect (Onishi et al) 1998;41:295
- cutaneous reinnervation of the rectus abdominis musculocutaneous flap after chest wall reconstruction: development of herpes zoster in the transplanted musculocutaneous flaps (Tomita and Inoue) 1998;41:191
- demineralized bone bandeau in a patient with kleeblattschädel skull deformity (Hubli et al) 1998;41:81
- distally based ulnar artery forearm flap supplied by the dorsal carpal arch (Karacalar and Özcan) 1998;41:304
- external-internal oblique reverse blood supply musculocutaneous flap for chest wall reconstruction (Danino et al) 1998;41:430
- fibrosarcoma following radiotherapy for breast carcinoma: a case report and review of the literature (Borman et al) 1998;41:201
- fistula repair following antethoracic esophageal reconstruction using a radial forearm free flap (Bowers and Pedersen) 1998;41:317
- giant neurofibromatosis of the chest wall: two patient reports (Salazar et al) 1998;41:211
- isolated Tessier No. 1 cleft of the nose (Agrawal et al) 1998;41:311
- lateral supramalleolar flap for heel coverage in a patient with Werner's syndrome (Okazaki et al) 1998;41:307
- long-term follow-up of a patient with Romberg's disease reconstructed with free groin flaps (Wakamatsu et al) 1998;41:654
- malignant blue nevus: three new cases and a

- review of the literature (Duteille et al) 1998;41:674
- malignant fibrous histiocytoma of the hand: multimodal therapy and extensor tendon reconstruction (Lohman and Evans) 1998;41:544
- malignant transformation of a giant proliferating trichilemmal tumor of the scalp: patient report and literature review (Markal et al) 1998;41:314
- microsurgical medial plantar flap banking: a method of choice for digital tip injury? (Nagase and Ohmori) 1998;41:538
- mixed connective tissue disease presenting to the acute hand service (Krishnamoorthy et al) 1998;41:86
- mysterious case of persistent malocclusion (Tang et al) 1998;41:420
- odontogenic keratocyst of the mandible: an unusual cause of a parotid mass (Righi et al) 1998;41:89
- postoperative ramifications of total ear replantation (Finical et al) 1998;41:667
- progressive gangrene of the hand following extravasation of antibiotics associated with hereditary resistance to activated protein C, with invited discussion by Ornstein and Zacharski (Borman et al) 1998;41:194
- reverse triangular soleus flap based on small distal communicating arterial branches (Dumont and Masquelet) 1998;41:440
- scleromyxedema (papular mucinosis): a surgical perspective (Elliott and Dooley) 1998;41:436
- sliding door flap for repair of vermilion defects (Iwahira et al) 1998;41:300
- successful replantation of an avulsed middle finger (Cheng et al) 1998;41:662
- "Taiwanese giant": hormonal and genetic influences in fibrous dysplasia (Szwajkun et al) 1998;41:75
- therapeutic fasciectomy for eosinophilic fasciitis (Neumeister and Robertson) 1998;41:208

- Economics**
- hand burns in young patients—loss of self-

sufficiency and economic productivity (Borman and Kostakoğlu) 1998;41:335 (Letter)
it's the economy, stupid (Smith) 1998;41:684 (Editorial)
waiting to exhale (Morain) 1998;41:99 (Editorial)

Editing

blue pencils 1, bloopers 0 (Morain) 1998;41:566 (Editorial)

Editorials

ASPRS and reconstructive plastic surgery, with response by Lynch (Furlow) 1998;41:330
blue pencils 1, bloopers 0 (Morain) 1998;41:566
four degrees of birthright (Morain) 1998;41:220
it's the economy, stupid (Smith) 1998;41:684
perception is not always reality, with response by Ganske (Gorney) 1998;41:448
waiting to exhale (Morain) 1998;41:99

Elbow

antecubital fasciocutaneous island flap for elbow coverage (Van Landuyt et al) 1998;41:252

Elliptical punch; see Equipment and supplies

Endoscopy

endoscope-assisted nasal osteotomy: a preliminary report (Honda et al) 1998;41:119
endoscopic harvest of the gracilis muscle flap (Spiegel et al) 1998;41:384
endoscopic harvesting of radial artery graft for coronary artery bypass (Uchida et al) 1998;41:459
endoscopic subcutaneous dissector for obtaining vein grafts (Hallock and Rice) 1998;41:595
endoscopic-assisted temporoparietal fascial flap dissection and harvesting: a feasibility preliminary cadaveric study (Mohammad et al) 1998;41:600
present status of endoscopy (Poindexter and Vasconez) 1998;41:679 (Review article)
re: breast reconstruction after mastectomy without additional scarring: application of endoscopic latissimus dorsi muscle harvest (Southern and Ramakrishnan) 1998;41:332 (Letter)
reconstruction of pharyngostomes with a modified deltopectoral flap combining endoscopy and tissue expansion (Serra et al) 1998;41:283

Endothelial cells

microvascular permeability following composite tissue transplantation (Gudemez et al) 1998;41:519

Eosinophilia

therapeutic fasciectomy for eosinophilic fasciitis (Neumeister and Robertson) 1998;41:208 (Case report)

Epigastric artery

abdominal wall defects: anatomic classification and a scheme for management (Sharma et al) 1998;41:180

Epinephrine

epinephrine in digital blocks: revisited (Wilhelmi et al) 1998;41:410

Epithelium

studies of surface microarchitecture using a hand-

held video microscopy in cases of cultured epithelial autografts (Soejima et al) 1998;41:270

Equipment and supplies

elliptical punch to repair incomplete cleft earlobes (Elejabeitia and Lasso) 1998;41:569 (Letter)

Erratum

re: computer-aided preoperative planning of tissue expansion (Hage and van Straalen) (1998;40:568) 1998;41:225

Erysipelas

does abdominoplasty predispose to erysipelas of the abdominal wall? (Kronowitz et al) 1998;41:453 (Letter)

Erythema

decrease in donor site erythema by application of hyperthermia (Itoh et al) 1998;41:162

Esophagectomy

microsurgical reconstruction of the digestive tract following pharyngolaryngectomy and total esophagectomy, with invited discussion by Cordeiro (Yamamoto et al) 1998;41:22

Esophagus

fistula repair following antethoracic esophageal reconstruction using a radial forearm free flap (Bowers and Pedersen) 1998;41:317 (Case report)

Ethmoid sinus

case of self-inflicted intraorbital injury: wooden foreign body introduced into the ethmoidal sinus (Akgüner et al) 1998;41:422 (Case report)

Ethylene oxide

ethylene oxide burns from improperly sterilized mammary implants, with invited discussion by Frisch (Cárdenas-Camarena) 1998;41:361

Extensor tendon; see Tendons

Extravasation of diagnostic and therapeutic

materials

histopathological changes in adriamycin extravasation injury (Emiroğlu et al) 1998;41:103 (Letter)
progressive gangrene of the hand following extravasation of antibiotics associated with hereditary resistance to activated protein C, with invited discussion by Ornstein and Zacharski (Borman et al) 1998;41:194 (Case report)

Eye

case of self-inflicted intraorbital injury: wooden foreign body introduced into the ethmoidal sinus (Akgüner et al) 1998;41:422 (Case report)
transconjunctival herniation of orbital fat (Monner et al) 1998;41:658 (Case report)

Eye injuries

diagnosis and treatment of retrobulbar hematoma resulting from blunt periorbital trauma (Rosdeutscher and Stadelmann) 1998;41:618

Face

augmentation of facial soft-tissue defects with Alloderm dermal graft (Achauer et al) 1998;41:503

Face, anatomy

maxillozygional anthropometric landmark: a new

- morphometric orientation point in the upper face (Nechala et al) 1998;41:402
- Facial bones, growth and development**
effects of soft-tissue expansion on lip repair and midfacial growth in a rabbit cleft lip model (Edington et al) 1998;41:171
- Facial hemiatrophy**
long-term follow-up of a patient with Romberg's disease reconstructed with free groin flaps (Wakamatsu et al) 1998;41:654 (Case report)
- Facial injuries**
maxillofacial injuries in women (Huang et al) 1998; 41:482
re: craniofacial injuries resulting from taxicab accidents in New York City (Talmor and Barie) 1998;41:332 (Letter)
traumatic aneurysms of the face and temple: a patient report and literature review, 1644 to 1998 (Conner et al) 1998;41:321 (Review article)
- Fasciitis**
therapeutic fasciectomy for eosinophilic fasciitis (Neumeister and Robertson) 1998;41:208 (Case report)
- Fasciocutaneous flaps; see Flaps, fasciocutaneous**
- Femoral artery**
microvascular transfer of the combined gastrocnemius-soleus muscle flap in the rat (Paletta et al) 1998;41:535
- Fetus**
tissue repair in the fetal intestinal tract occurs with adhesions, fibrosis, and neovascularization, with invited discussion by Longaker (Mast et al) 1998; 41:140
- Fibrin tissue adhesive**
acute thrombogenic effects of fibrin sealant on microvascular anastomoses in a rat model (Marek et al) 1998;41:415
- Fibrosarcoma**
fibrosarcoma following radiotherapy for breast carcinoma: a case report and review of the literature (Borman et al) 1998;41:201 (Case report)
- Fibrosis**
tissue repair in the fetal intestinal tract occurs with adhesions, fibrosis, and neovascularization, with invited discussion by Longaker (Mast et al) 1998; 41:140
- Fibrous dysplasia of bone**
"Taiwanese giant": hormonal and genetic influences in fibrous dysplasia (Szwajkun et al) 1998;41:75 (Case report)
- Fingers**
dorsal metacarpal flap for secondary digital artery flap donor sites (Onishi et al) 1998;41:41
epinephrine in digital blocks: revisited (Wilhelmi et al) 1998;41:410
microsurgical medial plantar flap banking: a method of choice for digital tip injury? (Nagase and Ohmori) 1998;41:538 (Case report)
successful replantation of an avulsed middle finger (Cheng et al) 1998;41:662 (Case report)
- transmetacarpal intramedullary K-wire fixation of proximal phalangeal fractures (Elmaraghy et al) 1998;41:125
- Fistula**
fistula repair following antethoracic esophageal reconstruction using a radial forearm free flap (Bowers and Pedersen) 1998;41:317 (Case report)
- Flaps, Abbe**
lip index: an anthropometric tool to evaluate objectively the results of the Abbe flap procedure (Vegter et al) 1998;41:166
- Flaps, arterialized**
abdominal wall defects: anatomic classification and a scheme for management (Sharma et al) 1998; 41:180
distally based sural artery flap (Huisinga et al) 1998;41:58
dorsal metacarpal flap for secondary digital artery flap donor sites (Onishi et al) 1998;41:41
reverse triangular soleus flap based on small distal communicating arterial branches (Dumont and Masquelet) 1998;41:440 (Case report)
- Flaps, fascial**
endoscopic-assisted temporoparietal fascial flap dissection and harvesting: a feasibility preliminary cadaveric study (Mohammad et al) 1998;41:600
- Flaps, fasciocutaneous**
antecubital fasciocutaneous island flap for elbow coverage (Van Landuyt et al) 1998;41:252
distally based sural artery flap (Huisinga et al) 1998;41:58
lateral supramalleolar flap for heel coverage in a patient with Werner's syndrome (Okazaki et al) 1998;41:307 (Case report)
- Flaps, free**
distally based ulnar artery forearm flap supplied by the dorsal carpal arch (Karacalar and Özcan) 1998;41:304 (Case report)
economy of donor site incisions: multiple free flaps of the subscapular family for extensive extremity wounds and bilateral foot defects (Chen et al) 1998;41:28
fistula repair following antethoracic esophageal reconstruction using a radial forearm free flap (Bowers and Pedersen) 1998;41:317 (Case report)
laryngeal preservation surgery using a free flap patch following resection of a carcinoma of the posterior wall of the oropharynx (Nakatsuka et al) 1998;41:289
long-term follow-up of a patient with Romberg's disease reconstructed with free groin flaps (Wakamatsu et al) 1998;41:654 (Case report)
long-term results following free tissue transfer for venous stasis ulcers, with invited discussion by Dunn and Vernadakis (Steffe and Caffee) 1998;41: 131
microvascular transfer of the combined gastrocnemius-soleus muscle flap in the rat (Paletta et al) 1998;41:535

reduced cost of extremity free flap monitoring
(Yuen and Feng) 1998;41:36

Flaps, island

antecubital fasciocutaneous island flap for elbow coverage (Van Landuyt et al) 1998;41:252
hemoglobin oxygenation of venous-perfused forearm flaps (Wolff and Dollinger) 1998;41:646
neurovascularized saphenous island flap in a patient with meningococcal sepsis and purpura fulminans (Arévalo et al) 1998;41:104 (Letter)

Flaps, muscle

endoscopic harvest of the gracilis muscle flap (Spiegel et al) 1998;41:384
microcirculatory hemodynamics during the acute phase of free vascularized muscle allograft rejection (Siemionow et al) 1998;41:275
microvascular transfer of the combined gastrocnemius-soleus muscle flap in the rat (Paletta et al) 1998;41:535
multiple, synchronous ipsilateral soleus muscle flaps, including the Achilles' "wraparound" flap (Hallock) 1998;41:46
muscle transposition flap for salvage of exposed peripheral prosthetic vascular grafts (Atiyeh et al) 1998;41:640
reconstruction of pharyngostomes with a modified deltopectoral flap combining endoscopy and tissue expansion (Serra et al) 1998;41:283
reverse triangular soleus flap based on small distal communicating arterial branches (Dumont and Masquelet) 1998;41:440 (Case report)
trapezius muscle: anatomic basis for flap design (Yang and Morris) 1998;41:52

Flaps, musculocutaneous

analysis of 26 "extended" pectoralis major musculocutaneous flaps in head and neck reconstruction (Hatoko et al) 1998;41:451 (Letter)
combination latissimus dorsi and rectus abdominis musculocutaneous flap for primary repair of a large upper limb defect (Onishi et al) 1998;41:295 (Case report)
coverage of a defect after groin dissection using a pedicled rectus abdominis musculocutaneous flap (Kuwahara et al) 1998;41:222 (Letter)
cutaneous reinnervation of the rectus abdominis musculocutaneous flap after chest wall reconstruction: development of herpes zoster in the transplanted musculocutaneous flaps (Tomita and Inoue) 1998;41:191 (Case report)
external-internal oblique reverse blood supply musculocutaneous flap for chest wall reconstruction (Danino et al) 1998;41:430 (Case report)
head and neck reconstruction with the latissimus dorsi musculocutaneous pedicled flap: functional preservation of the muscle by staged transfer (Şafak et al) 1998;41:156
improving the donor site cosmesis of the latissimus dorsi flap (Kelly and Searle) 1998;41:629
intraoperative vascular monitoring of ipsilateral vs.

contralateral TRAM flaps (Clugston et al) 1998;41:623

mammography in the evaluation of masses in breasts reconstructed with TRAM flaps (Eidelman et al) 1998;41:229
preconditioned TRAM flap: preliminary clinical experience (Restifo and Thomson) 1998;41:343

Flaps, pedicled

coverage of a defect after groin dissection using a pedicled rectus abdominis musculocutaneous flap (Kuwahara et al) 1998;41:222 (Letter)
head and neck reconstruction with the latissimus dorsi musculocutaneous pedicled flap: functional preservation of the muscle by staged transfer (Şafak et al) 1998;41:156

Flaps, skin

contraction of experimental skin flaps (Bayramiçli et al) 1998;41:185
effect of ME3277, a nonpeptide glycoprotein IIb/IIIa receptor antagonist, on the survival of skin flaps (Morioka et al) 1998;41:452 (Letter)
effect of omental lipid fraction on enhancement of skin flap survival (Takada et al) 1998;41:70
Effects of galeotomies on scalp flaps (Raposio et al) 1998;41:17
simple mathematical formula for custom-made croissant tissue expanders (Tonnard et al) 1998;41:246
skin flaps for pilonidal disease (Bascom) 1998;41:338 (Letter)

Flaps, sliding

sliding door flap for repair of vermilion defects (Iwahira et al) 1998;41:300 (Case report)

Flaps, vascularized

microcirculatory hemodynamics during the acute phase of free vascularized muscle allograft rejection (Siemionow et al) 1998;41:275
microsurgical medial plantar flap banking: a method of choice for digital tip injury? (Nagase and Ohmori) 1998;41:538 (Case report)
prefabrication of a high-density porous polyethylene implant using a vascular induction technique (Can et al) 1998;41:264

Fluid collections

ultrasound in the diagnosis and management of fluid collection complications following abdominoplasty (Mohammad et al) 1998;41:498

Foot

economy of donor site incisions: multiple free flaps of the subscapular family for extensive extremity wounds and bilateral foot defects (Chen et al) 1998;41:28
lateral supramalleolar flap for heel coverage in a patient with Werner's syndrome (Okazaki et al) 1998;41:307 (Case report)
microsurgical medial plantar flap banking: a method of choice for digital tip injury? (Nagase and Ohmori) 1998;41:538 (Case report)
reverse triangular soleus flap based on small distal communicating arterial branches (Dumont and Masquelet) 1998;41:440 (Case report)

- sweat gland carcinoma of the foot: a review and patient report (Losee et al) 1998;41:550 (Case report)
- Forearm**
 distally based ulnar artery forearm flap supplied by the dorsal carpal arch (Karacalar and Özcan) 1998;41:304 (Case report)
 fistula repair following antethoracic esophageal reconstruction using a radial forearm free flap (Bowers and Pedersen) 1998;41:317 (Case report)
 hemoglobin oxygenation of venous-perfused forearm flaps (Wolff and Dollinger) 1998;41:646
- Foreign bodies**
 case of self-inflicted intraorbital injury: wooden foreign body introduced into the ethmoidal sinus (Akgüner et al) 1998;41:422 (Case report)
 mysterious case of persistent malocclusion (Tang et al) 1998;41:420 (Case report)
- Fracture fixation**
 transmetacarpal intramedullary K-wire fixation of proximal phalangeal fractures (Elmaraghy et al) 1998;41:125
- Fractures**
 complications of mandibular fractures (Moulton-Barrett et al) 1998;41:258
 silicone molar block used as a fulcrum in condylar surgery (Tung et al) 1998;41:485
- Free flaps; see Flaps, free**
- Galea aponeurotica**
 Effects of galeotomies on scalp flaps (Raposio et al) 1998;41:17
- Gangrene**
 progressive gangrene of the hand following extravasation of antibiotics associated with hereditary resistance to activated protein C, with invited discussion by Ornstein and Zacharski (Borman et al) 1998;41:194 (Case report)
- Gastrocnemius muscle**
 microvascular transfer of the combined gastrocnemius-soleus muscle flap in the rat (Paletta et al) 1998;41:535
- Geneology**
 four degrees of birthright (Morain) 1998;41:220 (Editorial)
- Giant; see Body height**
- Glycoproteins**
 effect of ME3277, a nonpeptide glycoprotein IIb/IIIa receptor antagonist, on the survival of skin flaps (Morioka et al) 1998;41:452 (Letter)
- Gracilis muscle**
 endoscopic harvest of the gracilis muscle flap (Spiegel et al) 1998;41:384
- Graft rejection**
 microcirculatory hemodynamics during the acute phase of free vascularized muscle allograft rejection (Siemionow et al) 1998;41:275
- Graft survival**
 effect of hyperbaric oxygen on survival of the composite ear graft in rats (Zhang et al) 1998;41:530
- effect of ME3277, a nonpeptide glycoprotein IIb/IIIa receptor antagonist, on the survival of skin flaps (Morioka et al) 1998;41:452 (Letter)
- effect of omental lipid fraction on enhancement of skin flap survival (Takada et al) 1998;41:70
- Groin**
 coverage of a defect after groin dissection using a pedicled rectus abdominis musculocutaneous flap (Kuwahara et al) 1998;41:222 (Letter)
 long-term follow-up of a patient with Romberg's disease reconstructed with free groin flaps (Wakamatsu et al) 1998;41:654 (Case report)
- Growth hormone**
 "Taiwanese giant": hormonal and genetic influences in fibrous dysplasia (Szwajkun et al) 1998;41:75 (Case report)
- Gynecomastia**
 eccentric skin resection and purse-string closure for skin reduction with mastectomy for gynecomastia (Smoot) 1998;41:378
- Hair removal**
 hair removal using the long-pulsed ruby laser (Solomon) 1998;41:1
- Hand**
 dorsal metacarpal flap for secondary digital artery flap donor sites (Onishi et al) 1998;41:41
 hand burns in young patients—loss of self-sufficiency and economic productivity (Borman and Kostakoğlu) 1998;41:335 (Letter)
 mixed connective tissue disease presenting to the acute hand service (Krishnamoorthy et al) 1998;41:86 (Case report)
 progressive gangrene of the hand following extravasation of antibiotics associated with hereditary resistance to activated protein C, with invited discussion by Ornstein and Zacharski (Borman et al) 1998;41:194 (Case report)
 snowblower injuries to the hand (Chin et al) 1998;41:390
 transmetacarpal intramedullary K-wire fixation of proximal phalangeal fractures (Elmaraghy et al) 1998;41:125
- Hand neoplasms**
 malignant fibrous histiocytoma of the hand: multimodal therapy and extensor tendon reconstruction (Lohman and Evans) 1998;41:544 (Case report)
- Head**
 head and neck reconstruction with the latissimus dorsi musculocutaneous pedicled flap: functional preservation of the muscle by staged transfer (Şafak et al) 1998;41:156
- Head and neck neoplasms**
 malignant transformation of a giant proliferating trichilemmal tumor of the scalp: patient report and literature review (Markal et al) 1998;41:314 (Case report)
 reconstruction of lateral skull base oncological defects: the role of free tissue transfer (Disa et al) 1998;41:633

Head injuries

- versatility of tissue expansion in head and neck burn reconstruction (Chun and Rohrich) 1998;41:11

Health care reform

- waiting to exhale (Morain) 1998;41:99 (Editorial)

Heel; see Foot

Hematoma

- diagnosis and treatment of retrobulbar hematoma resulting from blunt periorbital trauma (Rosdeutscher and Stadelmann) 1998;41:618

Hemodynamics

- microcirculatory hemodynamics during the acute phase of free vascularized muscle allograft rejection (Siemionow et al) 1998;41:275

Hemoglobin

- hemoglobin oxygenation of venous-perfused forearm flaps (Wolff and Dollinger) 1998;41:646

Hernia

- transconjunctival herniation of orbital fat (Monner et al) 1998;41:658 (Case report)

Herpes zoster

- cutaneous reinnervation of the rectus abdominis musculocutaneous flap after chest wall reconstruction: development of herpes zoster in the transplanted musculocutaneous flaps (Tomita and Inoue) 1998;41:191 (Case report)

Histiocytoma

- malignant fibrous histiocytoma of the hand: multimodal therapy and extensor tendon reconstruction (Lohman and Evans) 1998;41:544 (Case report)

Historical articles

- traumatic aneurysms of the face and temple: a patient report and literature review, 1644 to 1998 (Conner et al) 1998;41:321 (Review article)

Humor

- blue pencils 1, bloopers 0 (Morain) 1998;41:566 (Editorial)

Hydrocolloids

- transparent hydrocolloid dressing for CO₂ ultrapulse laser resurfacing (Paloma et al) 1998;41:334 (Letter)

Hyperbaric oxygenation

- effect of hyperbaric oxygen on survival of the composite ear graft in rats (Zhang et al) 1998;41:530

Hyperthermia

- decrease in donor site erythema by application of hyperthermia (Itoh et al) 1998;41:162

Hypospadias

- extraurogenital congenital anomalies associated with hypospadias: retrospective review of 700 patients (Latifoğlu et al) 1998;41:570 (Letter)

Iliac bone

- demineralized bone bandeau in a patient with kleeblattschädel skull deformity (Hubli et al) 1998;41:81 (Case report)

Implants, artificial

- capsular calcification associated with silicone

- breast implants: incidence, determinants, and characterization (Peters et al) 1998;41:348
- ethylene oxide burns from improperly sterilized mammary implants, with invited discussion by Frisch (Cárdenas-Camarena) 1998;41:361
- life span of silicone gel breast implants and a comparison of mammography, ultrasonography, and magnetic resonance imaging in detecting implant rupture: a meta-analysis (Goodman et al) 1998;41:577
- prefabrication of a high-density porous polyethylene implant using a vascular induction technique (Can et al) 1998;41:264
- silicone breast implant follow-up (Vasey) (Letter); (Peters and Smith) (Reply) 1998;41:101
- Infant, newborn; see also Congenital abnormalities**
- demineralized bone bandeau in a patient with kleeblattschädel skull deformity (Hubli et al) 1998;41:81 (Case report)
- giant juvenile xanthogranuloma present since birth (Bazán et al) 1998;41:335 (Letter)

Infection

- surgical management of cutaneous anthrax (Aslan and Terzioğlu) 1998;41:468

Injections

- massive injections of adulterated liquid silicone: local complications and development of autoimmune diseases (Guerrissi and Béjar) 1998;41:572 (Letter)

Intestines

- tissue repair in the fetal intestinal tract occurs with adhesions, fibrosis, and neovascularization, with invited discussion by Longaker (Mast et al) 1998;41:140

Intraoperative monitoring

- intraoperative vascular monitoring of ipsilateral vs. contralateral TRAM flaps (Clugston et al) 1998;41:623

Intubation

- positioning the nasal oxygen cannula (Ablaza) 1998;41:97 (Tips and techniques)

Ischemia

- microvascular permeability following composite tissue transplantation (Gudemez et al) 1998;41:519

Island flaps; see Flaps, island

Joint diseases

- mixed connective tissue disease presenting to the acute hand service (Krishnamoorthy et al) 1998;41:86 (Case report)

Kaye suture; see Suture techniques

Keratocyst; see Cysts

Keratosis

- unprecedented giant seborrheic keratosis on the scalp (Okazaki and Ueda) 1998;41:105 (Letter)

Kleeblattschädel skull deformity; see Skull, abnormalities

K-wire; see Bone wires

Laryngectomy

- microsurgical reconstruction of the digestive tract

following pharyngolaryngectomy and total esophagectomy, with invited discussion by Cordeiro (Yamamoto et al) 1998;41:22

Larynx

laryngeal preservation surgery using a free flap patch following resection of a carcinoma of the posterior wall of the oropharynx (Nakatsuka et al) 1998;41:289

Laser surgery

hair removal using the long-pulsed ruby laser (Solomon) 1998;41:1

Q-switched ruby laser treatment of tattoos and benign pigmented skin lesions: a critical review (Raulin et al) 1998;41:555 (Review article)

rapid healing after skin laser resurfacing: a minimal mechanical trauma technique (Trelles et al) 1998;41:332 (Letter)

transparent hydrocolloid dressing for CO₂ ultrapulse laser resurfacing (Paloma et al) 1998; 41:334 (Letter)

Lateral position; see Patient positioning

Latissimus dorsi muscle

combination latissimus dorsi and rectus abdominis musculocutaneous flap for primary repair of a large upper limb defect (Onishi et al) 1998;41: 295 (Case report)

head and neck reconstruction with the latissimus dorsi musculocutaneous pedicled flap: functional preservation of the muscle by staged transfer (Şafak et al) 1998;41:156

improving the donor site cosmesis of the latissimus dorsi flap (Kelly and Searle) 1998;41:629

re: breast reconstruction after mastectomy without additional scarring: application of endoscopic latissimus dorsi muscle harvest (Southern and Ramakrishnan) 1998;41:332 (Letter)

Leg

economy of donor site incisions: multiple free flaps of the subscapular family for extensive extremity wounds and bilateral foot defects (Chen et al) 1998;41:28

reduced cost of extremity free flap monitoring (Yuen and Feng) 1998;41:36

two giant basal cell carcinomas presenting simultaneously in the same patient, one resulting in lower extremity limb loss (Mainella et al) 1998;41:444 (Case report)

Leg ulcer

long-term results following free tissue transfer for venous stasis ulcers, with invited discussion by Dunn and Vernadakis (Steffe and Caffee) 1998;41: 131

Legislation

perception is not always reality, with response by Ganske (Gorney) 1998;41:448 (Editorial)

Letters

analysis of 26 "extended" pectoralis major musculocutaneous flaps in head and neck reconstruction (Hatoko et al) 1998;41:451
clinical reminder: a palmaris longus muscle variation (Zeybek et al) 1998;41:224

coverage of a defect after groin dissection using a pedicled rectus abdominis musculocutaneous flap (Kuwahara et al) 1998;41:222

design-enhanced breast reduction: an approach for very large, very ptotic breasts without a vertical incision (Schmidt) 1998;41:335

does abdominoplasty predispose to erysipelas of the abdominal wall? (Kronowitz et al) 1998;41: 453

effect of ME3277, a nonpeptide glycoprotein IIb/ IIIa receptor antagonist, on the survival of skin flaps (Morioka et al) 1998;41:452

- maxillofacial injuries in women (Huang et al) 1998; 41:482
- maxillozygional anthropometric landmark: a new morphometric orientation point in the upper face (Nechala et al) 1998;41:402

ME3277

effect of ME3277, a nonpeptide glycoprotein IIb/IIIa receptor antagonist, on the survival of skin flaps (Morioka et al) 1998;41:452 (Letter)

Melanoma

single-injection gamma probe-guided sentinel lymph node detection in 40 melanomatous lymphadenectomies (Cohen et al) 1998;41:397

Meningococcal infections

neurovascularized saphenous island flap in a patient with meningococcal sepsis and purpura fulminans (Arévalo et al) 1998;41:104 (Letter)

Metacarpal vessels

dorsal metacarpal flap for secondary digital artery flap donor sites (Onishi et al) 1998;41:41

Microcirculation

microcirculatory hemodynamics during the acute phase of free vascularized muscle allograft rejection (Siemionow et al) 1998;41:275

Microscopy

studies of surface microarchitecture using a hand-held video microscopy in cases of cultured epithelial autografts (Soejima et al) 1998;41:270

Microsurgery

acute thrombogenic effects of fibrin sealant on microvascular anastomoses in a rat model (Marek et al) 1998;41:415
microsurgical medial plantar flap banking: a method of choice for digital tip injury? (Nagase and Ohmori) 1998;41:538 (Case report)
microsurgical reconstruction of the digestive tract following pharyngolaryngectomy and total esophagectomy, with invited discussion by Cordeiro (Yamamoto et al) 1998;41:22

Models

auricular paper model (Yotsuyanagi et al) 1998;41:327 (Short subject)

Motorboats; see Boats**Mucin**

scleromyxedema (papular mucinosis): a surgical perspective (Elliott and Dooley) 1998;41:436 (Case report)

Muscle flap; see Flaps, muscle**Musculocutaneous flap; see Flaps, musculocutaneous****Neck**

head and neck reconstruction with the latissimus dorsi musculocutaneous pedicled flap: functional preservation of the muscle by staged transfer (Şafak et al) 1998;41:156
versatility of tissue expansion in head and neck burn reconstruction (Chun and Rohrich) 1998;41:11

Necrosis

surgical management of cutaneous anthrax (Aslan and Terzioğlu) 1998;41:468

Neoplasm metastasis

single-injection gamma probe-guided sentinel lymph node detection in 40 melanomatous lymphadenectomies (Cohen et al) 1998;41:397

Neovascularization

callotaxis in nonvascularized periosteal bone grafts and the role of periosteum: a new contribution to the concept of distraction osteogenesis, with invited discussion by McCarthy (Özerdem et al) 1998;41:148
tissue repair in the fetal intestinal tract occurs with adhesions, fibrosis, and neovascularization, with invited discussion by Longaker (Mast et al) 1998;41:140

Neurofibromatosis

giant neurofibromatosis of the chest wall: two patient reports (Salazar et al) 1998;41:211 (Case report)

Nevus

nevus lipomatosus cutaneous superficialis (Yilmaz and Top) 1998;41:223 (Letter)

Nevus, pigmented

malignant blue nevus: three new cases and a review of the literature (Duteille et al) 1998;41:674 (Case report)
Q-switched ruby laser treatment of tattoos and benign pigmented skin lesions: a critical review (Raulin et al) 1998;41:555 (Review article)

Nose

adolescent growth patterns of the bony and cartilaginous framework of the nose: a cephalometric study (Akgüner et al) 1998;41:66
endoscope-assisted nasal osteotomy: a preliminary report (Honda et al) 1998;41:119
isolated Tessier No. 1 cleft of the nose (Agrawal et al) 1998;41:311 (Case report)
positioning the nasal oxygen cannula (Ablaza) 1998;41:97 (Tips and techniques)

Occlusive dressings; see Bandages**Odontogenic cysts**

odontogenic keratocyst of the mandible: an unusual cause of a parotid mass (Righi et al) 1998;41:89 (Case report)

Omentum

effect of omental lipid fraction on enhancement of skin flap survival (Takada et al) 1998;41:70

Oropharyngeal neoplasms

laryngeal preservation surgery using a free flap patch following resection of a carcinoma of the posterior wall of the oropharynx (Nakatsuka et al) 1998;41:289

Osmidrosis

comparative study of the surgical treatment of axillary osmidrosis by instrument, manual, and combined subcutaneous shaving procedures (Park et al) 1998;41:488

Osteochondroma

transzygomatic coronoidectomy through an extended coronal incision for treatment of trismus due to an osteochondroma of the coronoid process of the mandible (Chen et al) 1998;41:425 (Case report)

Osteogenesis

callotaxis in nonvascularized periosteal bone grafts

- and the role of periosteum: a new contribution to the concept of distraction osteogenesis, with invited discussion by McCarthy (Özerdem et al) 1998;41:148
- Osteotomy**
endoscope-assisted nasal osteotomy: a preliminary report (Honda et al) 1998;41:119
- Otoplasty**
simplified technique of otoplasty: the temporary Kaye suture (de la Torre et al) 1998;41:94 (Tips and techniques)
- Oxygenation**
hemoglobin oxygenation of venous-perfused forearm flaps (Wolff and Dollinger) 1998;41:646
- Palmaris longus muscle**
clinical reminder: a palmaris longus muscle variation (Zeybek et al) 1998;41:224 (Letter)

Radial artery

endoscopic harvesting of radial artery graft for coronary artery bypass (Uchida et al) 1998;41:459

Radiotherapy

fibrosarcoma following radiotherapy for breast carcinoma: a case report and review of the literature (Borman et al) 1998;41:201 (Case report)

Receptors, glycoprotein

effect of ME3277, a nonpeptide glycoprotein IIb/IIIa receptor antagonist, on the survival of skin flaps (Morioka et al) 1998;41:452 (Letter)

Recreation

motorboat propeller injuries (Mendez-Fernandez) 1998;41:113

Rectus abdominis muscle

combination latissimus dorsi and rectus abdominis musculocutaneous flap for primary repair of a large upper limb defect (Onishi et al) 1998;41:295 (Case report)

coverage of a defect after groin dissection using a pedicled rectus abdominis musculocutaneous flap (Kuwahara et al) 1998;41:222 (Letter)

cutaneous reinnervation of the rectus abdominis musculocutaneous flap after chest wall reconstruction: development of herpes zoster in the transplanted musculocutaneous flaps (Tomita and Inoue) 1998;41:191 (Case report)

intraoperative vascular monitoring of ipsilateral vs. contralateral TRAM flaps (Clugston et al) 1998;41:623

mammography in the evaluation of masses in breasts reconstructed with TRAM flaps (Eidelman et al) 1998;41:229

preconditioned TRAM flap: preliminary clinical experience (Restifo and Thomson) 1998;41:343

Reduction mammoplasty; see Mammoplasty**Replantation**

postoperative ramifications of total ear replantation (Finical et al) 1998;41:667 (Case report)

successful replantation of an avulsed middle finger (Cheng et al) 1998;41:662 (Case report)

Retirement

re: a modest proposal (Mogelvang) 1998;41:571 (Letter)

Retrobulbar hematoma; see Hematoma**Review articles**

creep vs. stretch: a review of the viscoelastic properties of skin (Wilhelmi et al) 1998;41:215

present status of endoscopy (Poindexter and Vasconez) 1998;41:679

Q-switched ruby laser treatment of tattoos and benign pigmented skin lesions: a critical review (Raulin et al) 1998;41:555

traumatic aneurysms of the face and temple: a patient report and literature review, 1644 to 1998 (Conner et al) 1998;41:321

Romberg's disease; see Facial hemiatrophy**Ruby laser surgery; see Laser surgery****Rupture**

life span of silicone gel breast implants and a comparison of mammography, ultrasonography, and magnetic resonance imaging in detecting implant rupture: a meta-analysis (Goodman et al) 1998;41:577

Saphenous artery

neurovascularized saphenous island flap in a patient with meningococcal sepsis and purpura fulminans (Arévalo et al) 1998;41:104 (Letter)

Sarcoma

surgical treatment of soft-tissue sarcomas (Papadopoulos et al) 1998;41:106 (Letter)

Scalp

Effects of galeotomies on scalp flaps (Raposio et al) 1998;41:17

malignant transformation of a giant proliferating trichilemmal tumor of the scalp: patient report and literature review (Markal et al) 1998;41:314 (Case report)

Scalp dermatoses

unprecedented giant seborrheic keratosis on the scalp (Okazaki and Ueda) 1998;41:105 (Letter)

Scars; see Cicatrix**Scleromyxedema**

scleromyxedema (papular mucinosis): a surgical perspective (Elliott and Dooley) 1998;41:436 (Case report)

Seborrhea

unprecedented giant seborrheic keratosis on the scalp (Okazaki and Ueda) 1998;41:105 (Letter)

Self care

hand burns in young patients—loss of self-sufficiency and economic productivity (Borman and Kostakoğlu) 1998;41:335 (Letter)

Self-injurious behavior

case of self-inflicted intraorbital injury: wooden foreign body introduced into the ethmoidal sinus (Akgüner et al) 1998;41:422 (Case report)

Shaving, subcutaneous

comparative study of the surgical treatment of axillary osmidrosis by instrument, manual, and combined subcutaneous shaving procedures (Park et al) 1998;41:488

Shock, septic

re: augmentation mammoplasty associated with a severe systemic illness (article, letter, and reply) (Marshall et al) 1998;41:221 (Letter)

Short subject

auricular paper model (Yotsuyanagi et al) 1998;41:327

Silicones

capsular calcification associated with silicone breast implants: incidence, determinants, and characterization (Peters et al) 1998;41:348

ethylene oxide burns from improperly sterilized mammary implants, with invited discussion by Frisch (Cárdenas-Camarena) 1998;41:361

life span of silicone gel breast implants and a comparison of mammography, ultrasonography,

- and magnetic resonance imaging in detecting implant rupture: a meta-analysis (Goodman et al) 1998;41:577
- massive injections of adulterated liquid silicone: local complications and development of autoimmune diseases (Guerrissi and Béjar) 1998;41:572 (Letter)
- silicone breast implant follow-up (Vasey) (Letter); (Peters and Smith) (Reply) 1998;41:101
- silicone molar block used as a fulcrum in condylar surgery (Tung et al) 1998;41:485
- Skin, surgery**
 - eccentric skin resection and purse-string closure for skin reduction with mastectomy for gynecomastia (Smoot) 1998;41:378
- Skin diseases**
 - scleromyxedema (papular mucinosis): a surgical perspective (Elliott and Dooley) 1998;41:436 (Case report)
- Skin elasticity**
 - creep vs. stretch: a review of the viscoelastic properties of skin (Wilhelmi et al) 1998;41:215 (Review article)
- Skin flaps; see Flaps, skin**
- Skin neoplasms**
 - giant peduncular pilomatricoma (Itoh et al) 1998;41:337 (Letter)
 - malignant blue nevus: three new cases and a review of the literature (Duteille et al) 1998;41:674 (Case report)
 - two giant basal cell carcinomas presenting simultaneously in the same patient, one resulting in lower extremity limb loss (Mainella et al) 1998;41:444 (Case report)
- Skin transplantation**
 - augmentation of facial soft-tissue defects with Alloderm dermal graft (Achauer et al) 1998;41:503
- Skull**
 - re: craniofacial injuries resulting from taxicab accidents in New York City (Talmor and Barie) 1998;41:332 (Letter)
 - reconstruction of lateral skull base oncological defects: the role of free tissue transfer (Disa et al) 1998;41:633
- Skull, abnormalities**
 - demineralized bone bandeau in a patient with kleeblattschädel skull deformity (Hubli et al) 1998;41:81 (Case report)
- Sliding flap; see Flaps, sliding**
- Snowblowers**
 - snowblower injuries to the hand (Chin et al) 1998;41:390
- Soleus muscle**
 - microvascular transfer of the combined gastrocnemius-soleus muscle flap in the rat (Paletta et al) 1998;41:535
 - multiple, synchronous ipsilateral soleus muscle flaps, including the Achilles' "wraparound" flap (Hallock) 1998;41:46
 - reverse triangular soleus flap based on small distal communicating arterial branches (Dumont and Masquelet) 1998;41:440 (Case report)
- Staphylococcus aureus**
 - re: augmentation mammoplasty associated with a severe systemic illness (article, letter, and reply) (Marshall et al) 1998;41:221 (Letter)
- Stents**
 - McIndoe vaginoplasty with the inflatable vaginal stent (Barutçu and Akgüner) 1998;41:568 (Letter)
- Sterilization**
 - ethylene oxide burns from improperly sterilized mammary implants, with invited discussion by Frisch (Cárdenas-Camarena) 1998;41:361
- Sternotomy**
 - parmedian sternal bone plate reinforcement and wiring for difficult sternotomy wounds (Smoot and Weiman) 1998;41:464
- Supine position; see Patient positioning**
- Support surfaces**
 - comparison of supine and lateral positioning on various clinically used support surfaces (Sachse et al) 1998;41:513
- Supramalleolus**
 - lateral supramalleolar flap for heel coverage in a patient with Werner's syndrome (Okazaki et al) 1998;41:307 (Case report)
- Sural artery**
 - distally based sural artery flap (Huisinga et al) 1998;41:58
- Suture techniques**
 - eccentric skin resection and purse-string closure for skin reduction with mastectomy for gynecomastia (Smoot) 1998;41:378
 - simplified technique of otoplasty: the temporary Kaye suture (de la Torre et al) 1998;41:94 (Tips and techniques)
- Sutures**
 - hydration and occlusive treatment of a sutured wound (Sawada et al) 1998;41:508
- Sweat gland neoplasms**
 - sweat gland carcinoma of the foot: a review and patient report (Losee et al) 1998;41:550 (Case report)
- Taiwan**
 - "Taiwanese giant": hormonal and genetic influences in fibrous dysplasia (Szwajkun et al) 1998;41:75 (Case report)
- Tattooing**
 - Q-switched ruby laser treatment of tattoos and benign pigmented skin lesions: a critical review (Raulin et al) 1998;41:555 (Review article)
- Taxicab accidents; see Accidents, traffic**
- Temple**
 - traumatic aneurysms of the face and temple: a patient report and literature review, 1644 to 1998 (Conner et al) 1998;41:321 (Review article)
- Temporomandibular joint**
 - mysterious case of persistent malocclusion (Tang et al) 1998;41:420 (Case report)

Temporoparietal fascia

- endoscopic-assisted temporoparietal fascial flap dissection and harvesting: a feasibility preliminary cadaveric study (Mohammad et al) 1998;41:600

Tendons

- malignant fibrous histiocytoma of the hand: multimodal therapy and extensor tendon reconstruction (Lohman and Evans) 1998;41:544 (Case report)

Thailand

- epidemiology of cleft lip and palate in Thailand (Chuangsuwanich et al) 1998;41:7

Thrombin

- acute thrombogenic effects of fibrin sealant on microvascular anastomoses in a rat model (Marek et al) 1998;41:415

Thumb, abnormalities

- unusual case of polydactyly of the thumb (Boutros et al) 1998;41:434 (Case report)

Tips and techniques

- positioning the nasal oxygen cannula (Ablaza) 1998;41:97
- simplified technique of otoplasty: the temporary Kaye suture (de la Torre et al) 1998;41:94

Tissue expansion

- creep vs. stretch: a review of the viscoelastic properties of skin (Wilhelmi et al) 1998;41:215 (Review article)
- effects of soft-tissue expansion on lip repair and midfacial growth in a rabbit cleft lip model (Edington et al) 1998;41:171
- reconstruction of pharyngostomes with a modified deltopectoral flap combining endoscopy and tissue expansion (Serra et al) 1998;41:283
- simple mathematical formula for custom-made croissant tissue expanders (Tonnard et al) 1998;41:246
- versatility of tissue expansion in head and neck burn reconstruction (Chun and Rohrich) 1998;41:11

Tissue transfer

- microvascular permeability following composite tissue transplantation (Gudemez et al) 1998;41:519
- reconstruction of lateral skull base oncological defects: the role of free tissue transfer (Disa et al) 1998;41:633

Toxic shock syndrome; see Shock, septic**TRAM flap; see Flaps, musculocutaneous****Transplantation, autologous**

- microcirculatory hemodynamics during the acute phase of free vascularized muscle allograft rejection (Siemionow et al) 1998;41:275
- studies of surface microarchitecture using a hand-held video microscopy in cases of cultured epithelial autografts (Soejima et al) 1998;41:270

Transportation

- motorboat propeller injuries (Mendez-Fernandez) 1998;41:113

Trapezius muscle

- trapezius muscle: anatomic basis for flap design (Yang and Morris) 1998;41:52

Trichilemmal tumor

- malignant transformation of a giant proliferating trichilemmal tumor of the scalp: patient report and literature review (Markal et al) 1998;41:314 (Case report)

Trismus

- transzygomatic coronoidectomy through an extended coronal incision for treatment of trismus due to an osteochondroma of the coronoid process of the mandible (Chen et al) 1998;41:425 (Case report)

Ulcer

- lateral supramalleolar flap for heel coverage in a patient with Werner's syndrome (Okazaki et al) 1998;41:307 (Case report)
- long-term results following free tissue transfer for venous stasis ulcers, with invited discussion by Dunn and Vernadakis (Steffe and Caffee) 1998;41:131

Ulnar artery

- distally based ulnar artery forearm flap supplied by the dorsal carpal arch (Karacalar and Özcan) 1998;41:304 (Case report)

Ultrasonography

- life span of silicone gel breast implants and a comparison of mammography, ultrasonography, and magnetic resonance imaging in detecting implant rupture: a meta-analysis (Goodman et al) 1998;41:577
- ultrasound in the diagnosis and management of fluid collection complications following abdominoplasty (Mohammad et al) 1998;41:498

Vagina

- McIndoe vaginoplasty with the inflatable vaginal stent (Barutçu and Akgüner) 1998;41:568 (Letter)

Varicose ulcer

- long-term results following free tissue transfer for venous stasis ulcers, with invited discussion by Dunn and Vernadakis (Steffe and Caffee) 1998;41:131

Vascularized flaps; see Flaps, vascularized**Veins, transplantation**

- endoscopic subcutaneous dissector for obtaining vein grafts (Hallock and Rice) 1998;41:595

Venous ulcer; see Ulcer**Vermilion**

- sliding door flap for repair of vermilion defects (Iwahira et al) 1998;41:300 (Case report)

Video

- studies of surface microarchitecture using a hand-held video microscopy in cases of cultured epithelial autografts (Soejima et al) 1998;41:270

Viscosity

- creep vs. stretch: a review of the viscoelastic properties of skin (Wilhelmi et al) 1998;41:215 (Review article)

Vision disorders

- diagnosis and treatment of retrobulbar hematoma resulting from blunt periorbital trauma (Rosdeutscher and Stadelmann) 1998;41:618

Werner's syndrome

- lateral supramalleolar flap for heel coverage in a patient with Werner's syndrome (Okazaki et al) 1998;41:307 (Case report)

Women

- maxillofacial injuries in women (Huang et al) 1998; 41:482

Wound healing

- hydration and occlusive treatment of a sutured wound (Sawada et al) 1998;41:508
- rapid healing after skin laser resurfacing: a minimal mechanical trauma technique (Trelles et al) 1998;41:332 (Letter)

Wuchereria bancrofti microfilariae

- Wuchereria bancrofti microfilariae* in the dentigerous cystic fluid: an unusual presentation (Agrawal et al) 1998;41:205 (Case report)

Xanthogranuloma, juvenile

- giant juvenile xanthogranuloma present since birth (Bazán et al) 1998;41:335 (Letter)

Zygoma

- maxillozygional anthropometric landmark: a new morphometric orientation point in the upper face (Nechala et al) 1998;41:402
- transzygomatic coronoidectomy through an extended coronal incision for treatment of trismus due to an osteochondroma of the coronoid process of the mandible (Chen et al) 1998;41:425 (Case report)
